31-001.0 Annual Allocation - Montgomery and Brown Airports

Council District: 6, 8

Community Plan: Kearny Mesa, Otay Mesa

Description: This annual allocation provides for capital improvements at Montgomery and Brown Fields. The improvements are financed by the Airports Fund, which may receive federal and State grants. Individual projects are recommended to the City Council based on the Master Plans for the airports and on the availability of funding. These projects will not be impacted by the Brown Field development project.

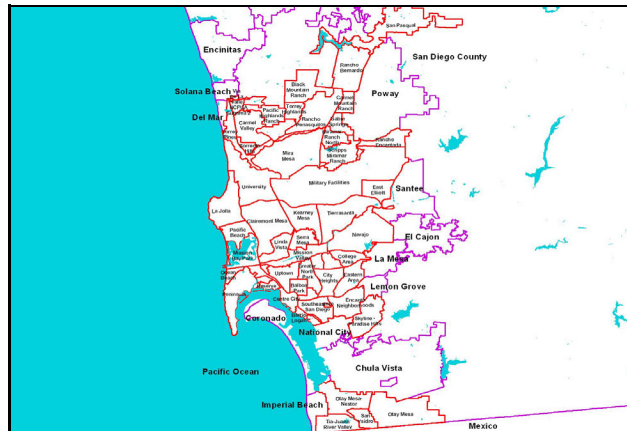

Justification: This project may be used to provide matching local funds for capital improvement projects which are supported by State or federal grants and require local financial participation, and to provide permanent public improvements for which no State or federal grant funding is available.

Operating Budget Effect: None.

Relationship to General and Community Plans: Improvements will be limited to those that are consistent with the Kearny Mesa and Otay Mesa Community Plans and in conformance with the City's Progress Guide and General Plan.

Scheduling: Projects will be scheduled on a priority basis.

31-175.0 Brown Field Lead and Asbestos Abatement and Building Demolition Project

Council District: 8

Community Plan: Otay Mesa

Description: This project provides for the removal of asbestos from several buildings at Brown Field Airport and will proceed with demolition. These buildings were reviewed by the Historical Resource Board and not found to warrant consideration for historical designation.

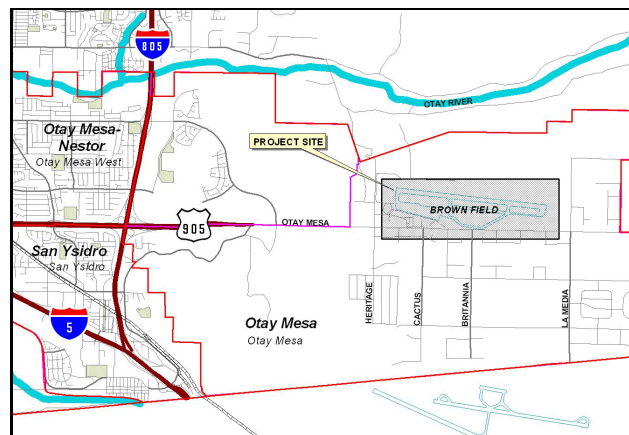

Justification: These buildings have outlived their useful life.

Operating Budget Effect: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and the Airport Master Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: Construction began August 18, 2003 and will continue throughout Fiscal Year 2004.

31-313.0 Montgomery Field - Heliport Relocation

Council District: 6

Community Plan: Kearny Mesa

Description: This project provides for relocating a heliport at Montgomery Field Airport. It includes the associated facilities to fully support a heliport such as lighting, ground ingress/egress and parking for helicopters.

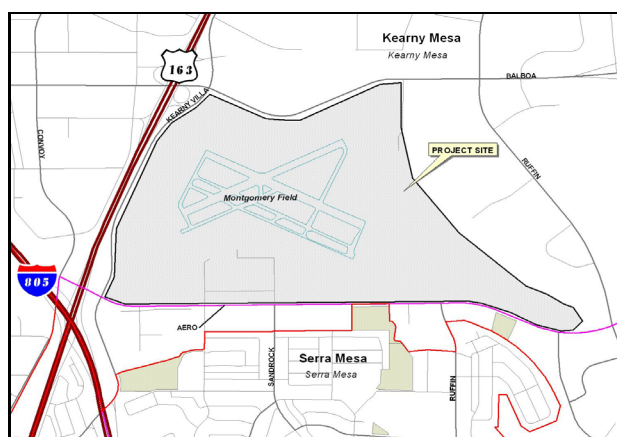

Justification: Relocating the heliport will result in redefining helicopter flight patterns, reducing noise and flight over residential areas to the south of the airport.

Operating Budget Effect: None.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: Design and construction are scheduled in Fiscal Year 2006, contingent upon identification of funding.
